MAIN TERRACE

Located between the Oasis Patio and Kalodromo Terrace, our Main Terrace at our venue is at the heart of it all, and a true hidden gem that effortlessly combines the best of Bali and Mediterranean aesthetics. With a full bar serving up exotic cocktails and a wrap-around deck adorned with lush greenery, it offers an oasis of tranquillity amidst breathtaking views of the bay and majestic mountains in the distance. The terrace is the perfect canvas for special occasions on a grand scale, where guests can bask in the natural beauty and enjoy the luxury of this unique setting.

KALODROMO

With front-line views, Kalodromo Terrace features unobstructed views of the turquoise Spanish waters and Mediterranean pine hills. This is our second largest terrace fits best for groups of 30-80 people.

Both outside and covered areas, dedicated entrance, music system, private bar and just a short bridge away from the main terrace. Sophisticated, yet casual, and one of the most sought-after private spaces in the South West of Mallorca.

Perched above the hustle and bustle of the beach-front this private area is your own hidden oasis and features shaded natural roofing, hanging plants and a true open space concept showcasing the beautiful views of the Med.

Perfect for a more intimate setting, our Oasis Patio is great for smaller groups who still wish for exclusivity of an area but still features sea views and the lush surroundings for which Origin Palmanova is known.
